1. Grievance:

Health Fund Monies: Those who came back from leave after October 1 were not given the health fund. This was grieved and denied. The District offered to give half the money for those who are out half a year. But in order to do this, they would need to divide the health fund monies into two installments, one in October and one during the second semester. The District will earn interest if they hold the money. Could that be used to offset the maintenance fee? Those who would have to go out on leave 2nd semester would lose half their health fund if we change from one installment to two. The Grievance Committee voted 9-1 to reject this resolution..

2. Sick Leave Bank: As of the end of last year, we had 700 days. We are now down to 346 (our lowest since we started). We need to replenish the bank. Suggestion: Have a subcommittee look at the guidelines and make recommendations. Subcommittee volunteers: L. Chaput, D. Cerbone, A. Balch, B. Shapiro

3. PSRB Nominations: There are two vacancies to replace S. Ange and V. Johnson.

4. PDTA Elections: The slate for district-wide PDTA offices is complete and is attached.
