Teacher Certification Workshop

DATES- PLEASE INDICATE 1ST & 2ND CHOICE, AS WORKSHOPS FILL UP FAST!

- **Information on Initial & Professional Certification** – *The New Requirements for Teachers*

This session will provide information on the new certification requirements in place since February 2004. Anyone applying for a certificate in a new subject area after this date will be held to these requirements. (It is important to note that this session may be helpful for teachers who may be certified under the old requirements but may be applying for an additional certificate in a new subject area as a result of completing a master's degree program. The additional certificate in the new subject area would be under these requirements even though you may hold other certificates under the old requirements.)
