

SRP GENERAL MEETING
April 27, 2006
Sutherland High School

Attendance: 10

BENEFIT RESOURCES

Changes in the administrator of the flex spending accounts and health funds from EBS to Benefit Resources were discussed. This will be effective July 1, 2006. SRPs are encouraged to attend the informational meetings being scheduled in each building. Two make-up meetings will be held at the Middle School on May 10 at 2:45 and 3:45 p.m. for those who cannot make the meetings in their own buildings. If anyone did not receive the schedule e-mailed from John Schiess, please contact Karen Shield (x1117).

NEGOTIATIONS

Next year will be a negotiating year for PDTA. SRP representatives on the negotiating team will be Gail Mulkeen and Sherry Tontarski. There will be two opportunities for input from PDTA members this spring and next fall. SRP members are encouraged to submit any issues for negotiations at these times. Two issues that were raised at the meeting were maintaining our health benefits and increasing the health fund to equal that of the professional staff. The Teaching Assistant title was also discussed. This issue should be raised on the forms that will be distributed if this is an item of importance to the group.

SENIORITY LISTS

Seniority lists should be available in all buildings. SRPs are asked to review the list for accuracy and notify Karen if there are any errors.

RETIREMENT DINNER

The annual District Retirement Dinner will be held on May 25 at 6:00 p.m. at Casa Larga Vineyards.

JOB POSTINGS

Job postings should be out beginning May 15 according to the PDTA contract and continuing as they occur through August. SRPs who are interested in transferring should respond to the postings through the Human Resources Office within five days of the posting. It is the expectation that there will be changes in special ed at the elementary and middle school levels which will impact some SRPs, but we don't expect that anyone will be without a position. No specific details were available at the time of the meeting.

RETIREMENT BENEFITS WORKSHOP

Karen will look into the possibility of scheduling a workshop through the Teacher Center which would explain retirement benefits through the Pittsford District.
