

**Executive Committee Meeting
Monday February 3, 2020
Minutes**

Updates:

- Contract Update:
Printed contracts were distributed to all Executive Committee Members.
The district and PDTA websites have been updated with the current contract.
- Extra-Curricular Update:
No new information at this time.
- PDTA Logo:
Building representatives have stickers that need to be distributed to the active membership.
Tee-shirt sales will begin later this month

New Business:

- SLB Document Review:
EC reviewed the documents that the committee designed. These documents will be brought to the RA next week.
- Contract section 5-5-2:
EC had a discussion on the effects of section 5-5-2 in the contract, which mentions loss of para support for 2-3 grade classes that are fewer than 20 students. Teachers engaged in a discussion about what this will look like next year. EC also discussed the need to define “significant need” which is called out in the contract.
- IMT, Building Safety
PDTA is requesting that a member be on the IMT for each building.
- Calendar
The COT draft calendar was reviewed. Exec has a few recommendations that will be brought forward to Rep Assembly for their consideration and input.
- Dues Collection/Membership
Checks have been issued for non-members who had dues deducted from their paycheck.
- Opening Day 2020
Following conversations with Dwayne, the Superintendent has begun planning for Opening Day 2020 with a different tone than this past year's.
- Resolution Specialist:
Building representatives should remind teachers of new courses to check rosters for potential overloads.

Respectfully Submitted,

**Shari Ebert
PDTA Secretary**
