## General Membership meeting

Agenda:

1. Opening statement from Dwayne
2. Description of contract interests from Brett
  - VP for negotiations described different interests and what would be negotiable or not. This information was designed to help the general membership in describing their interests in the small groups
3. Break-out sessions to collect interests. Facilitators took groups of 8 members to different locations where members were able to share interests for the next contract negotiations. Facilitators documented these interests in a shared excel document, where they were ranked by the groups who came up with the interests.
4. Office hours will be held for those members who were not able to make the meeting, but had interests to share.
