Executive Committee Meeting

Lomb Building Porch

Monday, March 6, 2017

Updates:

- Audit committee: This committee will come together during the summer to look at the PDTA books and budget for the previous year. This committee is required to complete the mandatory yearly AFT audit. This committee should be made of PDTA members or leaders but not any officers. If anyone is interested, let Kim and David know.
- Budget committee: Budget planning is normally done with the treasurer and the president every year, but PDTA feels that this process should include more people. Executive committee discussed the make-up of this committee. EC feels that the committee should be made up of members of the RA because they are more aware of how budget works. A date will be set for this committee in April.
- Substitute committee: The last substitute meeting was cancelled by Mike Leone. PDTA is continuing to gather information from the buildings as well as inform HR of the problems that are occurring in the buildings. In the buildings, when a job description is changed due to lack of substitutes, that communication should come from the building principal, not clerical. Jolene submitted a list of seven items to Mike Leone's attention even though the meeting was cancelled.
- Membership has been completed. We have 99.75% of staff as full dues paying members of the union.
- United Way will be starting soon. This campaign is run by the district.
- Kim Chesko, Dwayne Cerbone and Shari Ebert attended the Legislative breakfast on February 26th. They were able to discuss upcoming educational issues with the following local legislators: Morelle, Robach, Errigo, Johns, Lawrence & Bronson.
- Ebeling Fundraising Event: Sutherland HS has put together two separate events to help support this family. One event is targeted to adults at Johnnys Pub and Grill. The second will be located at SHS. For this event, individual schools are tasked with providing a basket for a silent auction. More details to come from the Special events coordinator.
- BOE Candidate: PDTA is looking to begin endorsement process for a new community member who is planning to run for the BOE.

- Superintendent Pero has announced on news outlets that Pittsford will be going for a super majority for the budget this year.

Input Required:

- NYSUT and AROS is planning another day of action on May 1st. The day of action will be determined by individual unions. PDTA is looking for ideas that we can use for this day of action in connection with the budget vote in mid-May.
Discussion: We should focus on having a day of action, not being in connection with AROS. There is a concern that we are having too many action days, but right now people are motivated to do something about the issues. Suggestion was given that we make the action really specific.

EC discussed that we would like to see the District announce the great things the district has done to the community of Pittsford.

Building Rep To-Do Reminders:

- Scholarships, Study Grants, Seniority Lists
- Continue with the Re-commit campaign – Officer access
- Professional Issues Forum on Health Care—One day conference. PDTA will be able to pay the cost for 1-2 people to attend.
