Updates:

- Contract Update:
Contract is in the hands of the District. PDTA and the district will sign the document once the District has completed the final look.
- APPR:
APPR large group met in November. PDTA is working on ensuring there be a representative in all buildings, especially for particular stakeholder groups, such as certificated staff members who are non-APPR. Executive Committee had a discussion to ensure that all stakeholder groups were represented in this committee.

Discussions:

- Extra-Curricular process:
Resolution discussions are ongoing. Members should contact Dwayne with any questions.
- Mandated Reporting Update:
 - Executive Committee discussed the shared message that was sent to elementary staff from their building principals. Dwayne has requested that Building Representatives send the communication to him.

PDTA has formed a small committee to look at the procedures for the Sick Leave bank.
