

**Executive Committee meeting  
June 2, 2020**

**Attendance:**

Barge, S  
Warchol, S  
Shaw, J  
Villareale, J

Drake, L  
Ebert, S  
Cerbone, D  
Chesko, K

Spring, L  
Mauger, L  
Socker, K  
Merffield, C

Dolan, K  
Althouse, M  
LaBarr, P  
Pellegrino, D

**Old Business:**

- Working with the district legal team about BOE candidate contacting our members through their CYP contact information.
- PDTA is looking for volunteers to participate in a NYSUT promotional event for counselors and school psychologists. Members would be requested to be interviewed about how COVID-19 has impacted their work.
- There is a concern from PDTA that administration is devaluing the work that teachers are doing in the classroom. PDTA has requested that administration communicate to parents that the work needs to be completed.
  - Administration should be working with teachers if they believe that their essentials are not drilled down appropriately.
  - Concern that the district communications are very focused on SEL and not enough on academics.
  - Concerns that teachers passing students who have done little work sets a bad precedent for future remote learning. What difference in communication will happen next year if we find ourselves shut down again?
- Parade has been changed due to safety concerns. Staff will not be holding signs. People can still attend.

**New Business:**

- Executive Committee discussed a data collection form for the re-entry committee. It was decided that if the collection tool can be kept broad, it will serve as good information that will help the committee best represent the membership.
- ILC 3 year terms are up. Representatives must be PDTA members.
  - President of PDTA should sit on the committee
  - Elected position
  - Committee meets monthly. Member should also sit on building ILT
