Cerbone, D
Chesko, K

Spring, L
Mauger, L
Socker, K
Merffield, C

Dolan, K
Althouse, M
LaBarr, P
Pellegrino, D

Old Business:

- Tenure reception will take place virtually on Tuesday evening at 6:40. Recipients have already received the link to the event. Building Representatives will also receive the link. More information forthcoming.
- PDTA would like to thank the building safety representatives for their commitment. Committee met with Dwayne to collect information that was then sent in an email communication to the Superintendent from the committee.
- Dwayne continues to work with most members of the Central Office Team.
- Remind members to respond to Dwayne's survey for personal contact information.

New Business:

- Some current employees may have received a "Substitute Reasonable Assurance Letter"- guarantees a sub the same amount of subbing the following year; some Paras may receive this- there is no reason to be concerned, no reference to their ongoing employment in the District
 - Lorinda will email Elizabeth Carpenter for clarification on what she would like these members to do; Lorinda will then message Paras; BR do not need to include in minutes
- Executive Committee looked at various scenarios around Para displacement. All EAs will have positions going into next year. PDTA is still working with the district on what that looks like. Dwayne will communicate about this in his Friday message.
- FSA/Dependent care funds for the 2019-2020 school year has been extended through December. Communication will come from the district. Members may want to reconsider

contributions made for the fall of 2020. Forms that were submitted can be lowered or cancelled.

- **Class Link:** Product which allows members and students to sign-in once and then gain access into other password protected software; students will also get a card they can hold up to the computer's camera. This initiative will be rolled out with the lower grade levels first.
 - Dwayne has asked that roll out to be K-1, as well as Building Representatives and Tech Chairs through the end of current school year.
