Cerbone, D  
Chesko, K

Spring, L  
Mauger, L  
Socker, K  
Merffield, C

Dolan, K  
Althouse, M  
LaBarr, P  
~~Pellegrino, D~~

**New Business:**

- Para posting change in practice:
  - All EAs will be displaced out of building based on district level seniority. This change in practice honors seniority over past practice.
  - This change in practice will only apply to non-specialized EAs. These are the postings that are not identified by a \* after the posting.
  - Executive committee discussed examples of this change in practice to ensure that building representatives understood this change to better support our members.
  - EA postings have been postponed until next Friday to allow principals to have conversations with paras that will be displaced. Paras are not displaced until they hear from the principal.
  - PDTA is working on a second round for SRP retirement for those displaced paras that meet the requirements to retire. More information forthcoming.
