

**Executive Committee meeting
April 28, 2020**

Attendance:

Barge, S
Warchol, S
Shaw, J
Villareale, J

Drake, L
Ebert, S
Cerbone, D
Chesko, K

Spring, L
Mauger, L
Socker, K
Merffield, C

Dolan, K
Althouse, M
LaBarr, P
Pellegrino, D

Old Business:

- **Building elections: All representatives ran uncontested. No building elections were required. New building representatives are as follows:**
 - PRE: Spencer Jones
 - JRE: Brett Burrows
- **Postings: If members are putting in for postings and being denied for reasons other than seniority, please let a building representative know.**
- **Elementary single platform posting:**
 - PDTA is making a request that all documents be password protected to ensure compliance with copyright law. If district cannot provide a location to password protect, then documents will not be posted.
 - There has been limited communication about this change in some of the elementary buildings.
 - Specials need to be kept in the loop on any changes that may occur.
- **Para parameters document is finished. It will be sent to building principals and to all members**

New Business:

1. **Executive Committee discussed the pros and cons of our current practice of SRPs being displaced if the classroom teacher is displaced. EC discussed whether a change in practice should be looked at for next year.**
2. **Retirees were sent a message from the district that included paperwork that needs to be filled out by 5/4. This date is flexible, and retirees should communicate with their building representative if they can't complete it by that date.**
3. **The results of the ABC recommendations approval has caused many displaced positions. PDTA is looking into creative solutions for these positions to keep as many members full time as possible.**
4. **PDTA is working on multiple MOAs with HR at this time:**
 - **Athletics compensation**

- Health insurance

5. PDTA is still working with the district on our continuous learning plan, and on budgetary needs for next year.
6. Stephanie is still looking into postcards to send out to our members. No word yet on cost.
7. If members are receiving a message about maxing out email quota, please let your building representative know. If we see a pattern, PDTA will contact technology.
8. PDTA day of giving was a huge success. Totals are still being calculated, but as of now we are at approximately \$12,500.
